

Belkin CAT5e UTP Snagless Patch Cable Grey 15m

Mfr#: **A3L791B15M-S**

Description

What is a Category 5e patch cable? Think of it as the street that links the house on your block and all the destinations in town. In actuality, it's a cable used to connect all the hardware destinations in a Local Area Network (LAN).

The RJ45 Cat 5e patch is perfect for use with 10/100 Base-T networks.

PRODUCT FEATURES:

Exceeds the performance requirement of Category 5e;

Perfect in conjunction with 10 and 100 Base-T networks;

50-micron gold plated connectors to insure a clean and clear transmission;

Premium snagless-type molding to protect the connection;

PowerSum tested.
