- For additional EPCOS SAW filters and datasheets please go to www.epcos.com → *Product Catalog* → *SAW Components and Modules* → *Automotive Electronics*
- For application support and/or customized SAW filters, please contact your nearest EPCOS sales office
- Sample kit release: September 2010

Important information: It is incumbent on the customer to check and decide whether a product is suitable for use in a particular application. Our products are described in detail in our data sheets. Our *Important notes* and the product-specific *Cautions and warnings* must be observed. All relevant information is available through our sales offices.
