PART NUMBER: BKAD3-A713-40001

|                                      |                                                                                          |
|--------------------------------------|------------------------------------------------------------------------------------------|
| Class                                | Non-environmental                                                                        |
| Connector Layout                     | -A713 = (A) 150, (B) 150, (C) 13W2, (D) 150, (E) 150, (F) 100                            |
| Connector Mounting Modifier          | 00 - Standard Design, .148 dia. Holes                                                    |
| Contact Finish                       | Gold over Nickel                                                                         |
| Contact Material                     | Copper Alloy                                                                             |
| Contact Style                        | Rear release crimp contacts                                                              |
| Insulator Material                   | Thermoset                                                                                |
| Polarization Position                | Per ARINC 600                                                                            |
| Product Family                       | Rack and Panel                                                                           |
| Product Group                        | BAK / SGA                                                                                |
| Shell Size                           | Size 3                                                                                   |
| Contact Termination                  | Crimp                                                                                    |
| Modifier (Contact, Finish, Material) | Rear release, crimp, signal and power contacts supplied with connector (when applicable) |
| Polarizing Position                  | 01 - thru 99 (per ARINC 600)                                                             |
| Shell & Waveguide Finish             | Alodine 1200                                                                             |
| Shell & Waveguide Material           | Aluminum alloy                                                                           |
| Shell Style                          | Receptacle                                                                               |
