

Technical drawing of a rectangular plate with dimensions and hole specifications. The plate has a total width of 78,74 and a total length of 2,54. The distance between the centerlines of the two end holes is 60,96, calculated as $2,54 \times 24 = 60,96$. The distance from the left edge to the centerline of the first hole is 1,52. The distance from the centerline of the first hole to the centerline of the last hole is 2,54. The distance from the centerline of the last hole to the right edge is 1,52. The plate has two end holes with a diameter of $\phi 0,05$ and a center-to-center distance of 60,96. The plate is labeled "1st contact" and "Min. $\phi 2,8$ ". The text "All holes" is also present.
