

T18MR**113-01819**

A one-piece bundling and fixing tie offering quick and easy installation.

The 'T' range of cable ties have a built in mounting hole and once fastened around the cables the bundle can be simply secured to the panel with a screw or bolt. The REL range are releasable and re-usable. The tie is first fitted to the panel and then the cables added. Ideal for fixing cables into 'gaming machines', control panels, or for temporary installations on building sites.
