**More intelligent. More efficient. Quicker.**

Auxiliary tools simplify the process of connecting and configuring the connection components:

- Assembly blocks for socket connectors with IDC contacts (type BL-IDC) can be used in machines such as toggle lever presses. All conductors are connected at the same time.
- Unlocking and dismantling tools release the crimp contacts in crimped plug-in connectors (type BLC & BLAC)
- Operating levers open individual clamping points on plug-in tension clamp connectors

For better, more rapid working progress

The result: efficient, professional working progress.

General ordering data

Type	DFFC EW2
Order No.	1803790000
Version	PCB plug-in connector, Accessories, Release tool, Black, No. of poles: 1
GTIN (EAN)	4032248259311
Qty.	10 pc(s).
Product data	UL:
Packaging	Box
