Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

The housing series HC-B...-EMV will be replaced by the HC-STA "EMC ready" housings. The STA housings are a standard industrial connector suitable for both shielded and non-shielded areas of use. When EMC protection is necessary, use of an appropriate cable gland will provide complete shielding to the cable. The "EMC ready" housings offer a competitive price and satisfy all market needs.

Stock Status
