## **Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)**

### **To Our Valued Customers Worldwide,**

Hereby we inform that our standard products are developed and produced in accordance with the European Union Regulation No. 1907/2006 (REACH, Registration, Evaluation and Authorization of Chemicals).

To our current knowledge and based on the information received from our suppliers, we confirm that all CONEC standard articles are in compliance with European Union Regulation No. 1907/2006 and do not contain any of the 181 Substances of Very High Concern (SVHC) of the last ECHA-list in a concentration above 0.1% (w/w). Exception: A few special products, which are only available upon request.

We are in constant contact with our suppliers. If we receive a notification that an article exceeds the allowed limits, we will inform customers concerned pursuant to article 33.
