TY Self Adhesive Cable Tie Mounts

Features and Benefits

TY mounts are particularly suitable for applications with minimal space - they are mounted into the equipment prior to cable installation. The cables can be attached using a range of standard cable ties.

Application

These products are designed for simple, yet robust, installation in a wide variety of applications - particularly used in telecoms equipment, switchgear and control cabinets.

For more information on the types of adhesive used please turn to page 114.
