Marble Mouse

Logitech

Contents: Mouse, software, adaptor and user guide

- Optical Marble™ technology means no need to move the mouse around your desktop, just roll the ball as you would a trackball device
- Optical tracking for smooth operation – no mechanism to get dirty
- USB or PS/2 connection (adaptor supplied)
- MouseWare® software to make working easier and faster
- For left or right hand usage
- Min. Sys. Req.: Win 95/98/ME/2000/XP/Vista/NT4.0/7 or Mac OS8.6 (or later), CD-ROM drive   617873 254616
