

Belkin CAT5e UTP Snagless Patch Cable Grey 2m

Mfr#: **A3L791B02M-S**

Description

What is a Category 5e patch cable? Think of it as the street that links the house on your block and all the destinations in town. In actuality, it's a cable used to connect all the hardware destinations in a Local Area Network (LAN). The RJ45 Cat 5e patch is perfect for use with 10/100/1000BaseT networks.
